#### BOOKS IN ENGLISH

63. 3 copies, *The Impact of China and Russia on United States-Mongolian Political Relations in the Twentieth Century* by Alicia J. Campi and R. Baasan. This work is the first in-depth analysis of the political relationship between the United States and Mongolia. The study elucidates why, despite over a hundred years of substantive interactions between the two countries, the establishment of formal diplomatic relations did not occur until 1987. This saga, full of exotic characters, setbacks and serendipitous events, involves the rise of the U.S. to superpower status in world politics and the tortuous road to full independence for the landlocked Asian nation of Mongolia. This was a journey that was influenced by the actions of China and Russia, who for decades played their own 'Great Game' in north Asia and manipulated the ignorance of Americans and Mongols in order to block the development of meaningful relations. The two authors, female diplomats for their respective countries, detail through newly discovered archival and declassified documents, the interference by these outside powers as well as the failures and false starts which delayed the inevitable creation of a successful partnership between the U.S. and Mongolia. 561 pages. \$70.00
64. 2 copies, *Reign of Political Terror and Repression in Mongolia 1920-1990* by D. Dashpurev. Revised second edition. This book seeks to analyze modern Mongolian society and highlights the dark sides of her modernization process in the 20<sup>th</sup> Century. 119 pages. ISBN 978-1499120479 \$20

#### **BOOKS FROM BURIATIA, WRITTEN IN RUSSIAN, UNLESS NOTED OTHERWISE**

131. 3 copies, *Buriatskii Slog, posobie dlia samostoiateľ' nogo izučehiia / Buriat Handbook, a textbook for independent study*. Angarsk, 2006. A Buriat Textbook with information on Buriat history, culture, tradition and language. 137 pages. ISBN 5-87562-051-X \$30.
132. 1 copy, *Abai Geser Moguchii / Abai Geser* by the Institute of World Literature and the Buryat Institute of Social Sciences. Moscow, 1995. The epic poem, "Abaj Geser, the Strongest," is the famous "Geser" Epic Songs of the Mongolian peoples first recorded in 1906 by Ts. Zh. Zhamsaran. The base of the epic plot of this variant is the story about Geser when he is sent to earth by Tengrii-Gods. The poem includes the description of the hero's common deeds against the background of real details and circumstances. This edition contains the poem and appendices which include commentaries and scientific articles dealing with the artistic (musical among them) problems of the Epic's variants. 528 pages. \$40
