March 10, 2020

On behalf of the Board of Directors, it is with regret that I inform you of the cancellation of the March 22, 2020 Mongolia Society annual meeting co-hosted by the Massachusetts Institute of Technology in Cambridge, Massachusetts. With many countries and regions recommending lengthy self-quarantine; academic institutions (including MIT) strongly advising staff, faculty and students to restrict travel for the next two months; and the March 9 decision by the Association of Asian Studies (AAS) to cancel its March 19-22, 2020 Annual Conference in nearby Boston, we believe it is no longer practical to hold the meeting in March. We are, however, exploring options for rescheduling the annual meeting later in 2020 and will keep you posted.

Ambassador Pamela J. Slutz, Ret.  
President,
